### **B- Reading Comprehension**

#### **2) Read the following passage then answer the questions:**

What are the things that affect sleep? Firstly, there's noise. If there are noises like barking dogs and loud music, you'll probably find it difficult to sleep. What is interesting is that women seem to notice noise more than men, while young children do not notice noise as much as adults. Also, if you're sitting in a chair, you'll find **it** very difficult to sleep. But you will probably have no problem falling asleep if you are lying down.

#### **A- Answer the following question:**

1- What makes sleep easy?

---

2- What does "it" refer to?

---

3- Who notice noise more?

---

( بقية الأسئلة في الصفحة الثالثة )
